

Field Trip Frequently Asked Questions

We've successfully mixed the activity of a PE class, sprinkled in some higher level thinking skills via Science demonstrations, modeled social skills and team work - all the while creating a fun, safe experience that is cognizant of the standards as well as the classroom applications of attending a field trip.

Q. How long does the show last? 60 minutes

Q. What age is appropriate for the show? Pre-K to 5th grade, teachers and parents.

Q. Is there an intermission/break? No.

Q. Can home school groups attend?

Any teaching association may attend this concert. Tickets are to be purchased in groups of 10 or more by an educational group.

Q. Will there be a meet and greet?

Due to the the nature of this concert series, there will not be a meet and greet. Most attending schools are one time constraints with busses and our show times run too close together.

Q. Will merchandise be for sale at the show? To be determined.

Q. Are there special promotions for teachers to offer to their class?

Bookmarks will be delivered to each school that has a class signed up for a field trip event. Make sure to provide your school name and address and the number of students your school would like to distribute these to and we'll send them along as soon as we have them ready.
